Kenmore High Efficiency 27" Super Capacity 3.8 cu. ft. Electric Laundry Center

With the Kenmore High Efficiency 27" Electric Laundry Center, you can effectively clean 23 large bath towels. The innovative new HETL wash system uses a low-profile wash plate, delivering effective and gentle cleaning performance while maximizing the wash-tub space. The washer features Automatic Temperature Control (ATC) that will automatically adjust the temperature of the incoming water to the desired level, for optimal temperature and cleaning performance. Step up washer features include a Fabric Softener Dispenser, 5 Water Temperature selections, a washer end-of-cycle signal and 9 wash cycles including Express Wash, Whites and Bedding.

No other laundry center has more capacity among leading brands compared combining washer and dryer capacity

- Wash and dry a lightly soiled load in under 50 minutes with Express Wash and Express Dry cycles
- Durable Stainless Steel Wash basket that resists dents, chips and corrosion, and is designed to withstand high spin speeds
- Built-In Moisture Sensor Bars that detect moisture and adjust drying time to help prevent over-drying of clothes and to help save energy
- Energy Star® compliance. Save on your utility bills by using less water and electricity
- Energy Saver option that will reduce water temperature a few degrees to save energy, lowers water usage slightly and also extracts more water to reduce drying time
- Dry and protect your clothes with a matching stainless steel dryer tumbler that helps retain heat and resists nicks and scratches caused by metal buttons, rivets and zippers
- 5.5 cu. ft. Dryer capacity can handle large loads with ease
- Control panel is conveniently center mounted so you can easily see, reach, and select the cycles and available options
- Removable center panel makes installation easier with reach through access to water & venting connections

Kenmore 4.3 cu. ft. Front-Load Washer

Step up to efficiency, cleaning power and convenience with the 4.0 cu. ft. Kenmore 41162 front-load washer. It has technologies such as Kenmore Connect™, which can troubleshoot some problems over the phone, and Smart Motion™, which uses motions such as rolling, tumbling, saturating and swinging, depending on the cycle you select.

This white Kenmore 4116 front-loading washer gives you 8 wash cycles, 5 water temperatures and 6 options—such as Delay Start, Prewash and Extra Rinse—so different fabrics and levels of dirt get the best treatment. It's Energy Star® qualified to save money and energy while conserving natural resources. Its' 1,300 RPM maximum spin speed extracts water, so garments need less drying, also saving energy. Sound insulation and an anti-vibration system keep this Kenmore washer quiet, so you can install it near living areas and bedrooms.

- Kenmore's 41162 4.3 cu. ft. wash drum can effectively clean large loads
- Smart Motion™ Technology custom blends unique wash motions to create specialty cycles that give just the right amount of care to your special fabrics, like delicates and bulky items
- ColdClean™ cycle uses cold water to clean clothes as effectively as warm water cycles while using less energy
- Kenmore Connect™ sends information over the phone for quick troubleshooting, possibly eliminating the need for a service call
- Displays estimated time remaining and cycle status
- Includes dispensers for detergent, bleach and fabric softener
- 43"x29.5"x31.5"

Kenmore Elite 5.2 cu. ft. Front-Load Washer - Clean Living Built for those with lots of laundry, the large capacity Kenmore Elite 5.2 cu. ft. front-load washer 4107 has 10 separate wash cycles. Never pre-treat stains again: there's a steam cycle built right into the washer, as well as a second rinse on the Kids Wear setting. The NSF-certified sanitize setting kill germs without harsh chemicals, eliminating 99.9% of bacteria. An automatic Smart Motion tumble feature prevents mildew and odors from gaining a foothold if you forget to remove a load. Keep your clothes looking, feeling and smelling their best with this Kenmore Elite front-load washer.

- Smart Motion Technology blends up to 6 different wash motions using a quiet Direct Drive motor
- SteamTreat option takes care of stubborn set-in stains with tough steam power
- Easy to use touch-button controls
- 43.299"x29.5"x33.099"

Kenmore 7.0 cu. ft. Top Load Electric Dryer w/ SmartDry Plus Technology

Kenmore 7.0 cu. ft. Top Load Electric Dryer w/ SmartDry Plus Technology - Ultimate Garment Care Enjoy a generous capacity that is large enough to handle family-sized loads of laundry with this 7.0 cu. ft. Kenmore top-load electric dryer 6513. It includes SmartDry Plus technology, which uses a 3-point sensing system to provide gentle clothing care. The advanced temperature monitor and two moisture sensors prevent over-drying by automatically adjusting time and temperature throughout the cycle. This helps reduce shrinking and provide gentler clothing care. Plus, when you select the Wrinkle Guard® option, it will tumble your clothes intermittently for 40 minutes after the cycle is complete to prevent wrinkles from setting into your clean, dry fabrics.
